

*Serving your
kitchen so well*

*you'll forget it's
even there.*

Ecolab® DishIQ™

Powered by ECOLAB3D™

**Ecolab's adaptive dishmachine program
seamlessly responds to your unique needs
and gets smarter over time**

Fix it before it breaks

Adapts to changing conditions to help reduce rewash, minimize repair part expenses and boost uptime

Quickly solve operational issues

Helps your machine stay in operation with active monitoring, timely alerts, remote fix and prepared onsite fix options

Increase productivity

Learns and automatically adjusts cycles, helps simplify labor by minimizing user error and reducing operating costs

**A dynamic dish-
machine program
backed by extensive
expertise and support**

- Predictive Service
- Active Monitoring with On-Demand Support
- Adaptive Cycles

ECOLAB®

The future of dishmachine management, today

Help increase operational productivity and decrease dishmachine challenges through our dynamic digital program capabilities and differentiated expertise.

ECOLAB® GLOBAL INTELLIGENCE CENTER

Taking action before there's an issue

Ecolab Global Intelligence Center provides continuous dishmachine monitoring and remote control - and acts fast on the information that matters most.
